

CULTURE NIGHT - APRIL 19, 2018

Hello Hale Families,

The Hale PTA is once again excited to present Culture Night this Spring! On the evening of **Thursday, April 19 from 6-8pm**, students and their families will have the opportunity to *travel the world, without ever leaving the neighborhood!*

Culture Night is the collaboration between students and their families, school staff, and PTA that celebrates the many peoples and cultures of the world.

As with years past, we are asking Hale families and friends to ***host a table the night of the event*** that educates others on a country with which you have a connection or interest. This is an incredibly fun event for the whole family and we sincerely hope you can participate!

Guidelines and suggestions will be provided to those interested in hosting a booth (tables will be supplied as well). Possible areas to represent include: location, time zone, geography, topography, traditions, native dress, food, music, language, government, special holidays, religion, and so much more. Have fun and be creative! In addition to booth sponsors, we're also looking for individuals to ***make an ethnic dish to share*** at Culture Night and ***volunteers*** to assist that evening.

We need your help in making Culture Night a thrilling and educational experience for all! To inquire about the event and/ or ***volunteer to host a booth, make a dish, or assist*** in any other way, please contact one of our Culture Night Co-Chairs by March 1.

Thank you!!!
